**The Czech Republic**

is rich in rivers, pounds, lakes and dams. With its historical monuments and remarkable places of countless natural beauty the Czech Republic is a real paradise for tourists. Visit with us the **UNESCO city of Prague** – famous as city of hundred spires, the golden city, the mother of cities. Prague has a large number of interesting monuments and sights. The city experienced its "golden age" in the 14th century during the reign of Charles IV, the King of Bohemia and Moravia and Holy Roman Emperor. Prague became a Gothic metropolis of European importance and it developed into a cultural and political centre of Europe.
